TO: LOCAL AGENCY FORMATION COMMISSION

**SUBJECT: AGENDA ITEM #5 – LAFCO 3050 – REORGANIZATION TO INCLUDE
CITY OF SAN BERNARDINO ANNEXATION NO. 360 (ARROWHEAD
SPRINGS SPECIFIC PLAN AREA)**

RECOMMENDATION:

Take LAFCO 3050 off calendar with instruction to staff to return the matter to the Commission's Agenda as soon as possible following completion of the required revisions to the City of San Bernardino Plan for Service, with the requirement for readvertising of the proposal.

BACKGROUND:

Attached is a letter from City Manager Fred Wilson, of the City of San Bernardino, requesting continuance of LAFCO 3050 indefinitely. Mr. Wilson's letter indicates that the additional time is necessary to be sure that the revisions to the Plan for Service meet the requirements of the Commission.

Staff recommends that the Commission take LAFCO 3050 off calendar rather than continue it from hearing to hearing. Approval of staff's recommendation requires the City to address the Commission's concerns regarding the delivery of water, sewer, and fire protection services to the Specific Plan area before the matter is returned for consideration. In addition, approval of this recommendation will require that when the matter is returned to the Commission for consideration, it will be re-advertised and individual notice will be provided to residents and landowners within and surrounding the area.
